SPATARI DANIEL CONSULTANCY - FZCO

This page lists the companies Ghost Revenue uses that may store or process personal data when we deliver the Services (Privacy Policy Section 5). Which of them handle your data depends on your engagement. Tools that run on your own accounts (for example your own Discord server or hosting account) are your providers, not ours, and are not listed here.

Ghost Revenue is a trading brand of SPATARI DANIEL CONSULTANCY - FZCO, a free zone company licensed by IFZA in Dubai Silicon Oasis (DSO), Dubai, United Arab Emirates (Licence no. 89192, Registration no. 82431). Registered office: IFZA Business Park, DDP, PO Box 342001, Dubai, UAE.

We update this page when the list changes. Clients with a signed Data Processing Agreement are told by email at least 14 days before a company is added.
